

Payroll People Inc.

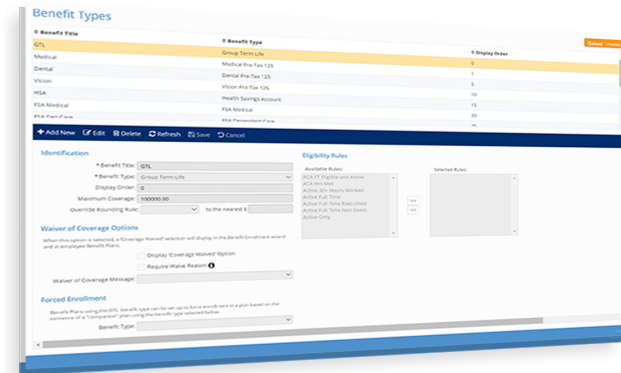

Employ, enable, and empower your accounting firm.

Provide a comprehensive platform that simplifies business operations and boosts the employee experience.

Many small businesses rely on accounting consulting firms for tax and financial management. Partnering with Payroll People will help you provide more to your clients, as we offer a powerful human capital management platform that provides a seamless connection throughout the entire employee journey, as well as support and resources for accounting firms.

Your clients can minimize the time spent on tedious tasks, while improving accuracy and boosting engagement with the platform we deliver to our clients. This connected HCM solution eliminates paper processes and offers payroll, time tracking, onboarding, HRIS, benefits enrollment, and goes beyond the typical HCM to seamlessly connect and manage your workforce while adapting to the future of work.

A user-friendly HCM platform makes it easy to handle all the tasks associated with running an accounting firm.

Benefits:

- A true partnership that delivers what your clients need
- Help you grow your business
- Less worry about legal compliance
- Add value to your service offerings and insulate your business
- View labor data in real time and make informed business decisions
