

# Payroll People Inc.

## Employ, enable, and empower your agricultural workforce.

Provide a comprehensive platform that simplifies business operations and boosts the employee experience.

Operating a farm, orchard, vineyard, or other agricultural location is complex and managing the labor is one of the chief reasons why. Tracking attendance and hours worked, managing employee schedules, and ensuring compliance with regulations are just a few of the tasks that challenge franchise owners and take many hours each week. For HR, payroll, time tracking, and benefits enrollment, the platform delivered by Payroll People provides those needed efficiencies—coupled with a seamless connection throughout the entire employee journey.

You can minimize the time spent on these tasks, while improving accuracy and boosting engagement with the connected HCM solution that goes beyond the typical human capital management to seamlessly connect and manage your workforce while adapting to the future of work.

A user-friendly HCM platform makes it easy to handle all the tasks associated with running an agricultural business.
