

Payroll People Inc.

Employ, enable, and empower your automotive workforce.

Provide a comprehensive platform that simplifies business operations and boosts the employee experience.

Operating an auto dealership requires careful precision and staying on top of a variety of tasks. Finding and using all available efficiencies is one key for success.

You can minimize the time spent on tedious tasks, while improving accuracy and boosting engagement with the platform we deliver to our clients. This connected HCM solution eliminates paper processes and offers payroll, time tracking, onboarding, HRIS, benefits enrollment, and goes beyond the typical HCM to seamlessly connect and manage your workforce while adapting to the future of work.

A user-friendly HCM platform makes it easy to handle all the tasks associated with running an automotive dealership.

Benefits:

- More time to focus on growing your business and developing new revenue streams
- Effortless compliance with ever-changing regulations
- Higher level of employee engagement reduces employee turnover
