

Payroll People Inc.

Employ, enable, and empower your restaurant workforce.

Deliver a comprehensive employee experience platform that simplifies business operations.

Operating a restaurant is complex and managing the labor is one of the chief reasons why. Tracking attendance and hours worked, managing employee schedules, and ensuring compliance with regulations are just a few of the tasks that challenge restaurateurs and take many hours each week.

You can minimize the time spent on tedious tasks, while improving accuracy and boosting engagement with the platform we deliver to our clients. This connected HCM solution eliminates paper processes and offers payroll, time tracking, onboarding, HRIS, benefits enrollment, and goes beyond the typical HCM to seamlessly connect and manage your workforce while adapting to the future of work.

A user-friendly HCM platform makes it easy to handle all the tasks associated with operating a restaurant.

Benefits:

- More time to focus on your restaurant and customer experience
- Effortless compliance with ever-changing regulations
- Higher level of employee engagement and teamwork
- View labor data in real time and make informed business decisions
- Reduce errors, improving your bottom line
- Manage and bring on new hires

Features:

- Tips Management, including tax credits, shortfall and allocation tracking
- Overtime management, including state and city requirements
