# Taxbrowser

## The Online Tax Information Portal

**Track tax payments, fee schedules, notices, and more online, anytime — FREE!**

Taxbrowser is a secure site that can be accessed over the Internet with your standard web browser. This one site has all the information you will need to conveniently search, sort and view your tax account data and daily activity.

### With Taxbrowser you can:

**NEW!**

- ◆ Print Quarterly Summaries Online
- ◆ View payment confirmation of Federal, State, and Local tax deposits
- ◆ View tax IDs and rates on file
- ◆ Track Notice resolutions Online
- ◆ Export Tax Data to Excel
- ◆ Access PPI’s powerful sort engines to view data by:
  - Check date
  - Collection date
  - Tax type
  - Payment date

Taxbrowser puts *you* in control. Taxbrowser is the simple, user-friendly portal that will keep you informed and in control of your payroll tax activity.
