Payroll & HR:OneDatabase

critical functions are in one database. No more exporting, importing or clunky integrations. And, iSolved doesn't stop there. It easily scales to include time tracking, benefits enrollment, applicant tracking and onboarding if and when you need those as well.

iSolved lives in the cloud, so you can access it anywhere at any time. And, it's designed and built from the ground up, based on customer feedback - so you can get payroll done quickly and accurately. **No hassles.**
